Head of Finance

(For a Subsidiary)

Hemas is one of Sri Lanka's top listed companies with a strong financial track record of creating exceptional shareholder value. Our focus lies in the FMCG, Healthcare, Leisure, Transportation & Power sectors where we have strong businesses and capabilities.

A unique opportunity exists for a top quality individual to join Hemas as Head of Finance for one of our prestigious subsidiaries.

We are looking for an experienced finance professional that possesses the discipline and diligence required to ensure proper financial management, whilst displaying creativity and business acumen to strategically contribute towards the company's financial and business strategy.

The candidate for the above position should be around 35 years of age and be a qualified member of a professional accounting body such as ICASL/CIMA/ACCA, preferably with a MBA from a recognized university. He/she should possess a minimum of 5 years post qualifying experience in the field of finance, out of which at least 2 years should be at senior management level. Strong analytical skills, effective communication, very good interpersonal skills along with the ability to work with managers of different disciplines are prerequisites for this position.

In addition to an excellent working environment, the candidate will receive an attractive remuneration package with other benefits. Please apply with your complete CV and contact details of two non-related referees within 10 day's of this advertisement to;

Head of Risk Management

Hemas Group

Hemas Holdings PLC is a leading public quoted conglomerate in Sri Lanka; it is one of Sri Lanka's most respected companies with a strong financial track record of creating exceptional shareholder value. Our focus lies in the sectors of FMCG, Healthcare, Leisure, Transportation & Power, where we have strong businesses and capabilities.

An outstanding opportunity exists for a top quality individual to join us in the capacity of Head of Risk Management for the Hemas Group.

We are looking for an experienced professional who possesses the discipline and diligence required to ensure proper risk management, whilst displaying creativity and business acumen to strategically contribute towards the company's business strategy. The ideal candidate would have had a stint in an audit firm, experience within the finance function, as well as experience in quality management.

The candidate will be responsible for the development and implementation of effective and sustainable risk management strategies and internal controls for the Group. He or she should be adept at identifying, assessing, reviewing and reporting on the challenges to the business, evaluating the current business environment and designing a response plan for potential risks.

The candidate for the above position should be around 35 years of age and be a qualified member of a professional accounting body such as ICASL/CIMA/ACCA, or possess a Degree in Finance from a recognized university. He/she should possess a minimum of 3 years of management experience in risk management and/or internal controls. Strong analytical skills, effective communication, very good interpersonal skills along with the ability to work with managers of different disciplines are prerequisites for this position.

In addition to an excellent working environment, the candidate will receive an attractive remuneration package with other benefits. Please apply with your complete CV and contact details of two non-related referees within 10 days of this advertisement to;
