Challenging Career in a BPO

Are you ready to be a part of the world's fastest growing industry?

If so, IBS a fully owned subsidiary of Just in Time Group offers you a challenge to head its Business Development.

Integrated-BPO Solutions is a pioneer of the new generation of business process outsourcing solutions, characterized by industry-specific, real-time, judgment-dependent services that are focused to support core functions of our clients

Head of Business Development

After completing the initial phase of our implementation we are now seeking to expand our focus into new areas which are challenging and to drive business growth from basic services to higher value added BPO services and as such we are on the lookout for a dynamic individual to be Head of Business Development

Job role

Your overall responsibility will be the marketing function of the company and will be reporting directly to the CEO. You will be responsible to plan, develop, and implement a marketing strategy which will articulate business value, seize new business opportunities and cultivate long term relationships with clients and business partners.

Requirement

- You should possess excellent communication, interpersonal and management skills.
- Exposure in international marketing and contacts in such markets would be a distinct advantage.
- Experience of working within a BPO or outsourcing environment in a similar capacity is essential with a minimum of three years in the industry.
- Exposure in the ICT industry would be a definite advantage.
- A professional qualification in either CIM/SLIM or an equivalent qualification will be an added advantage.

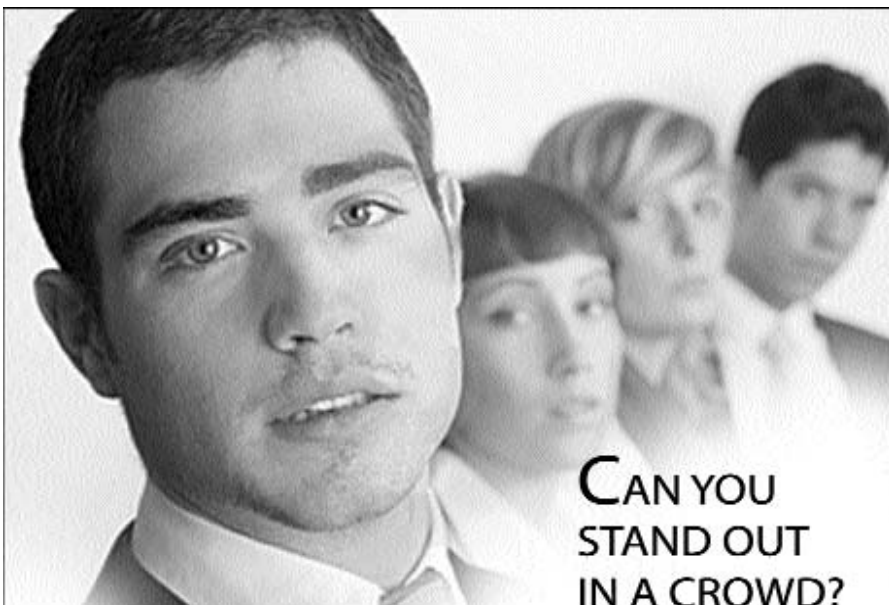

The selected candidates can look forward to an attractive remuneration package.

Please forward your Resume including details of two non-related referees within 07 days of this advertisement via email to confidential@jithpl.com or post to the address indicated

Head of Human Resources & Administration

No: 345,
R.A.De Mel Mawatha,
