Design and Implement SME Development and Chamber Sustainability Activities in the Southern Region

International Finance Corporation (IFC) a member of the World Bank Group promotes sustainable private sector investments in developing economies to help reduce poverty and improve people's lives. IFC is expanding its Advisory Services (AS) operations in Sri Lanka under the South Asia Enterprise Development Facility (IFC-SEDF) to support the development and growth of Small and Medium and microfinance enterprises in the Southern Region (Galle, Matara, Hambantota, Ratnapura and Monaragala) of Sri Lanka funded by the Royal Norwegian Government. Under this program IFC-SEDF intends to organize a series of rural SME and Chambers of Commerce Development Programs in the Districts specified above.

Objective

The objective of this program is to enhance capacity of identified SMEs in the stipulated districts and make them bankable propositions. IFC SEDF is planning to procure the services of a firm to design, develop, implement and monitor the above program.

Scope of Work:

The broad scope of work to be carried out by the firm is as follows:

- Design and develop a concept to set up develop an SME cell in each chamber based on the requirements of each chamber
- Work closely with IFC SEDF, partner Chambers of Commerce, partner banks and service providers to develop an activity plan for each district/cell.
- Design and develop program framework for measurement of results and preparation of regular reports as per IFC requirement.
- Identify opportunities for new initiatives based on each district needs and make suggestions to implement same and support in improving existing programs.

Deliverables:

- Develop concept, cost estimates and implementation roadmap for SME cells in each district.
- Roll out program and monitor on progress

Minimum qualification criteria and eligibility of bidders

- Hands-on practical experience in the design and undertaking of SME development related activities.
- Exposure and knowledge in the Southern Region and the Chamber movement.
- Professionally qualified team with exposure in SME development.

IFC now invites eligible consulting firms to indicate their interest in providing their services. Interested consulting firms must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc). IFC shall facilitate the selection and recruitment of the consultant through a Competitive Bidding Process.

Request for Proposals (RFP) shall be sent to the short-listed firms in due course.

The expected commencement date of the assignment is March 15, 2009. The expected duration is 6 months.

Expressions of interest must be sent via email to the address below on or before **February 12, 2009**. Only short-listed firms will be contacted. IFC reserves the right to modify the current scope of work if required.
