

Why Choose NIBM?

Recognition

NIBM is a Government owned Institute with a history of 40 years. A statutory body under the Ministry of Vocational and Technical Training, it is recognised as a Degree Awarding Institute by the University Grants Commission. NIBM offers quality certified programmes, which are not only recognised nationally but also internationally. NIBM also offers degree programmes through its affiliations to well renowned accredited universities overseas. Any qualification from such an eminently recognised institute will open doors to successful careers in the future.

A Highly Qualified Faculty

The educationists and management of NIBM are highly qualified in their respective fields and well suited to the task of

guiding the youth of this country. Competent and experienced internal and external consultants who have mastered their respective fields, with national and international experience are also on hand to provide a well-rounded education. Students are not only exposed to a thorough theoretical knowledge but also to the practical aspects of training.

State-of-the-Art Facilities

Modern, high-quality resources and equipment to facilitate a learning environment for higher education are available at NIBM.

Safe, Secure, Disciplined Environment

When their child is studying at NIBM, parents can rest assured that they are receiving a high-quality education in a safe and conducive learning environment.

Flexibility

Most NIBM courses allow students to study part-time, enabling them to gain higher education while pursuing a professional career. In the degree courses, each stage is a complete qualification in itself, giving students the option of exiting with a recognised qualification.

Affordability

Courses at NIBM are reasonably priced, giving Sri Lankan students the opportunity to gain a world renowned education at far less the cost of studying overseas. For most courses, the course fee is payable in installments.

Predictability

An NIBM course lasts for exactly the duration stated, without the unexpected delays that are common in the traditional

Recognised as a Degree Awarding Institute by the University Grants Commission

university system. This gives students the freedom and ability to plan their future systematically.

Accessibility

Our main campus at Colombo and our regional centres in Kandy and Kurunegala ensure that quality training is available through NIBM to a wider range and a greater number of our valued students.

The NIBM intends to establish Regional Centres in other key districts to meet the needs of the youth and those of the industry, for qualified and trained personnel. The newest addition to our training facilities will soon be open in Galle.
