

# A Look Inside NIBM

**N**IBM provides a pleasant learning experience while they gain a complete education, steered by a philosophy and commitment that has reinforced NIBM's status as the leading business education institute in the nation.

Among the facilities that you will enjoy at NIBM are:

#### The Programme Office

The Programme Office offers a wide range of services to prospective students, current students and the academic staff of NIBM. It is committed to widening participation and learning, quality assurance process, support for students in starting their careers and obtaining

the world-renowned education offered at NIBM.

#### Computer Lab

The computer lab at NIBM is amply equipped with modern, high speed PCs complete with networking facilities to accommodate all the students' needs.

#### Lecture Rooms

The spacious lecture rooms are suitably equipped with state-of-the-art facilities including multimedia equipment for uninterrupted listening and learning.

#### Library and Documentation Centre

The NIBM Library and Documentation Centre plays a vital role in catering to the information and educational needs of both course participants and professional staff of NIBM. The fully-fledged Library and Documentation Centre is well stocked with over 23,000 books, over 400 CDs, educational video tapes and selected periodicals. Among the library's special collections are the Asian Productivity Organisation (APO) publication, Training Manuals, Company Annual Reports, Periodicals Holdings, Socio-Economic statistics, NIBM Consultancy and student project reports and the Sri Lanka Collection.

Services provided by the NIBM Library include inquiry, reference & lending services, library information services using the library database, inter-library loan facility, photocopying facility, journal contents page service and bibliographical assistance to the professional staff and executive staff of NIBM, students and participants of courses.

The NIBM Library & Documentation Centre is open seven days a week from 8:00 am to 4:00 pm, except on public holidays.

#### Internet Facilities

Korea Agency for Digital Opportunity and Promotion (KADO) of the Republic of Korea has established a modern digital Information Access Centre (IAC) at the NIBM premises and it is the first of its kind in the South Asian region. The IAC complex, which will be facilitated by Korean-trained IAC operators, includes a training lab, an Internet lounge, a seminar room and an administrative office.

#### Cafeteria

NIBM is complete with a spacious well-maintained cafeteria of good hygiene standards to provide wholesome meals and snacks for the students.

#### Medical Services

An in-house doctor is available at all times for the wellbeing of the students.
