

A fun trip

I went to Habarana for my holidays. I swam in the pool. I rode the bike there.

I fed the fish in the lake. I went on a safari. I saw two elephants, two foxes, a peacock and buffalo.

I climbed up a tree-house. I enjoyed my holiday very much.

She is very kind and pretty. She has a son. She always wears nice sarees to school.

She is fair in complexion. She is well respected by all the students.

I love English because of my teacher. I do all my work in the class to make my teacher happy.

My bicycle

My bicycle is red in colour. I got it for my birthday. My mother and father gave it to me. My grandmother gave me a helmet.

I call it 'Lucky'. It is from Lumala. It has a light in the front and a light at the back. It has a chain. It has two big wheels and two small wheels. It has two pedals.

I like it a lot. It is beautiful.

FIFA World Cup 2010

My favourite sport is football. My favourite team in football is Spain and my favourite players are David Villa and Casillas.

There are two records which were broken this year. One of them was that the host nation will at least go into the round of 16 but this time the host nation was knocked out in the pool stage. The other record is that a team which lost

their first match (Spain lost to Switzerland) has never lifted the cup. So, as Spain took the World Cup, this record was broken.

The disappointed teams were Italy and France who were knocked out in the pool stage, and many people expected Argentina, Brazil or Germany to reach the final.

This is the first time a World Cup has

been held in an African Nation and a problem that the fans faced was the noise created by the Vuvuzela (musical instrument).

As a supporter of Spain I was overjoyed to see them win the World Cup.

We are Sri Lankans

Sri Lanka is our country. It is a beautiful island. The Lion Flag is our country's national flag.

There are different nationalities living in our island. They are Sinhalese, Tamils, Muslims, Burghers etc., and they all belong to different religions.

Though there are different nationalities and religions in Sri Lanka, we all live together in harmony and peace, in our beautiful motherland.
