Opportunities for a Laboratory Technician

Who are we?

Ceylon Tobacco Company PLC is a member of British American Tobacco, the world's most international tobacco group. CTC is one of the leading consumer goods companies in Sri Lanka. Our people, culture and systems enable us to embrace challenges. A passion for excellence continues to drive us to greater heights. We regularly move our talented people across the group and currently several managers are working in key senior positions across the globe.

Who are we looking for?

A dynamic and a self motivated dedicated individual. The selected individual will be responsible for analysing factory finished products and raw materials for physical & chemical quality. The individual should provide timely updates on the test results in order to meet the deadlines set by the product team. The selected person will be based in the Kandy laboratory.

He/She shall maintain the laboratory documentation in compliance with the ISO 17025 standard.

The ideal candidate should:

- Hold a Diploma in Laboratory Technology in Chemistry conducted by the Institute of Chemistry Ceylon or equivalent.
- Preferably possessing 2 years experience in working in an analytical laboratory.
- Be computer literate.
- Be proficient in English.

If you have the desire and confidence and feel that you have the right capabilities and strengths to fulfil the requirements of the above role, please forward your application to reach us on or before 21st January 2011 to:

Supply Chain HR Manager,
Ceylon Tobacco Company PLC,
No. 178, Srimath Ramanathan Mawatha,
Colombo 15.

Please indicate the post applied for on the left-hand corner of the envelope. Only shortlisted candidates will be notified.
