EMPOWER YOUR CAREER WITH DIMO

For over 7 decades, DIMO has changed the landscape of Sri Lankan engineering by delivering cutting edge technological breakthroughs in the world to our loyal customer base. Having always been in the forefront of engineering, DIMO represents over 50 of the world's most renowned brands. At DIMO, we believe in 'Vision Driven Passion' which we apply by enhancing employee skills to utilise innovative technology and deliver an exclusive experience to our customers. Through this vision, DIMO provides a truly enjoyable work environment and experience throughout a career.

We are now looking for dynamic individuals to join our world class team of professionals at DIMO.

We are a rapidly growing organisation with a turnover in excess of Rs. 20 billion for the first nine months of the current financial year. We are searching for a suitable candidate to carry out the mandate of the audit committee with regard to the internal audit function.

Group Internal Auditor

The Role:

This will be a new and a senior position in the organisation where the job holder needs to ensure compliance whilst adding value to the organisation by helping to improve related processes and controls. The jobholder will be responsible for the internal audit function of the Group.

The Person:

The ideal candidate is a fully qualified accountant with a minimum of 10 years experience in Finance or in Auditing. Previous audit experience in a firm of Chartered Accountants is preferred. We believe that a person with an analytical mind with effective communication skills, including report writing skills, will be more effective in this position. We also expect the jobholder to be conversant with Accounting Standards, Taxation and Corporate Law.

Duties & Responsibilities:

The work content includes

- Planning, organising and carrying out work related to the internal audit function including preparation of the audit plan, scheduling, assigning work and estimating resource needs
- Managing the internal audit assignments outsourced
- Reviewing and making timely recommendations to the Audit Committee on matters relating to effectiveness of internal controls, compliance, efficient and effective utilisation of the company's resources, process improvements, risk exposure and effective management of risks
- Post implementation follow-ups of new processes, controls and recommendations included in internal audit reports

The above position carries an attractive remuneration package along with other fringe benefits, above industrial standards. Please send in your CV with the names and contact details of two non-related referees, with the post applied for stated on the top left corner of the envelope, to reach the below address within 7 days.

General Manager - Human Resources
DIESEL & MOTOR ENGINEERING PLC
No. 65, Jetawana Road, Colombo 14.

Manager - DIMO Travels

The Role:

As the business head, the chosen candidate will plan and drive successful execution to set up an inland leisure travel operation that includes numerous transport solutions and a novel business proposition in the tourism industry.

The Person:

The ideal candidate will be from the leisure or travel industry with at least 5 years experience with a proven track record complimented with:

- An ability to identify opportunities and build links and contacts to set up required infrastructure and service sites
- Pleasing and outgoing personality and a passion to set up an exciting and challenging business
- Good commercial aptitude
- Familiar with social media Marketing, CRM and proven project management skills
- Ability to work under pressure and deliver to tight deadlines
- Educated to a level of marketing diploma/degree or equivalent
- Ability to work unsupervised

Duties & Responsibilities:

- Develop an integrated marketing strategy and tactical plans to attract customers
- Promote transport solutions for inland leisure travel
- Manage the fleet of vehicles and drivers
- Establish and continuously enhance a coherent customer communication plan and retention strategy
- Manage use of social media to drive customer engagement, word of mouth marketing and link building
- Establish appropriate KPI's and set milestones to ensure visibility of business performance, providing regular updates
- Co-ordinate with Government authorities and other relevant parties for approvals, maintenance and licenses
- Work autonomously to identify areas of opportunity and improvement
- Develop a team as the business grows to support you in delivering a progressively broader channel reach

The above position carries an attractive remuneration package along with other fringe benefits, above industrial standards. Please send in your CV with the names and contact details of two non-related referees, with the post applied for stated on the top left corner of the envelope, to reach the below address within 7 days.
