**U KNOW
WHAT U WANT**

**U KNOW THE FUTURE U WANT
U KNOW THE WORLD YOU DREAM OF
U KNOW THE CAREER U WISH FOR**

At Unilever we know, that you know, yourself better than anyone else!

With over a century's knowledge and experience of building careers around the world, Unilever realizes your generation's expectations, your unique talent and your dreams. Through the Unilever Management Trainee Programme we let you unleash your talent and accomplish your dreams.

UNILEVER MANAGEMENT TRAINEE PROGRAMME

At Unilever, our track record for providing people with dynamic careers is testimony to the success of our Management Trainee Programme. More than half of our Senior Leadership Team began their careers as Management Trainees, many of whom have made their mark locally and globally.

We guarantee to provide you with an opportunity to participate in a challenging learning environment that will groom you to become our future leaders. Our talented Management Team will share knowledge, skills and most importantly, the PERSPECTIVE, to foster personal and professional growth. The Programme is designed to build functional expertise and leadership skills which include international exposure and cross border assignments.

Join us and let us help you become one of our future leaders and build the career you want.

Those 27 years of age or below as at 1st October 2011, with a minimum second class upper degree along with exceptional achievements in extra curricular activities and proven leadership capability, are invited to apply. Excellent communication skills in English, working knowledge of MS Office and a professional qualification would be an advantage.
