Envision and Unleash

Challenging goals will be set for you, your limits stretched, your horizons broadened, your boundaries redefined.

Slimline is a flagship facility of MAS Intimates, a USD 300 million entity. MAS Intimates is the intimate apparel arm of MAS Holdings, the USD 800 million apparel group with globally spread wings. Slimline manufactures exquisite lingerie for brands such as Victoria's Secret, Marks & Spencer and La Senza. This state-of-the-art facility in Pannala has been the hotbed for product, process and social innovations, revolutionizing the way apparel factories are run in Sri Lanka.

Now, it's time for you to envision your goals, and unleash the hidden talents in you.

Production Executive - VRN: INT/SLM/001

You will coordinate the production process to ensure sewing modules run smoothly while addressing all related issues. New styles will be introduced under your supervision, and sewing teams will be trained and developed accordingly. Your role will be integral in facilitating the delivery of finished products to customers as per specifications in a timely manner.

You will hold a Degree in Production Engineering with 1-2 years experience OR a Diploma in Textile Clothing with 2-3 years experience in a similar capacity. Knowledge and exposure to work-study techniques and lean manufacturing will be considered a distinct advantage. Effective communication skills in both Sinhala and English is a prerequisite.

Planning Executive - VRN: INT/PLA/001

Your will ensure optimum utilization of resources by coordinating, pre-planning and scheduling manufacturing capacity in order to ensure a smooth production flow to meet delivery deadlines. Management decision making will be based on your timely and efficient reports, as you review and analyze actual production against set plans, ensuring proactive action is taken to achieve delivery targets.

You will hold a Degree in Engineering with 2 years experience in a similar capacity. Knowledge in production functions and effective communication skills are prerequisites.

Industrial Engineering Executive - VRN : INT/IE/01

You will improve plant productivity and ensure a smooth production flow while analyzing key productivity matrices and taking action proactively. Technical input on SMVs, sewing methods and machinery will be provided by you. By working closely with both technical and mechanical teams, you will analyze styles and optimize production.

You will hold a Degree with 03 years experience OR a Diploma with 04 years experience in Clothing Technology/ Industrial Engineering from arecognized institute. Work-study exposure and a thorough understanding of the production process is essential. Exposure to lean manufacturing will be an added advantage. Effective communication skills in English and Sinhala is a prerequisite.

Submit your application with a digital photograph and names and contact numbers of two non-related referees within 10 days of this advertisement at: <http://careers.masholdings.com> with the respective Vacancy Reference Numbers (VRN) mentioned above.
