PROJECT DIRECTOR

HOTEL DEVELOPMENT

Do you have the requirements?

Sino Lanka Hotels Holdings (Pvt) Limited is a joint venture company formed by well known reputed Sri Lankan investors and overseas venture capitalists. The Company has been specifically formed to develop brand new city and resort hotel projects in Sri Lanka. The directors have had extensive experience in development, ownership and operation of hotels and also real estate and are well known in their respective business fields.

The role of the Project Director is to plan, oversee and execute hotel construction projects according to strict deadlines and within budget. This includes coordinating the efforts of team members, both within the organization and external organizations such as architects, quantity surveyors, consultants, contractors and vendors. The total value of the first three development projects are in the region of US\$ 35 million (Rs. 3.5 billion).

The ideal candidate should be well experienced in project management, contract administration and budgeting and with experience in the hotel development sector. Overseas experience in project management in a senior capacity in hotel or high rise residential development would be preferred. The candidate should be pro-active and dynamic with ability to operate at a high efficiency level and deal with both local and international consultants. The remuneration package is negotiable based on the candidate's experience, suitability and qualifications. These are high value projects and the position requires a top calibre professional.

Please apply with complete CV quoting a minimum of two references and expected salary range to :-
