## Can You Run With The Lions?

Lion Brewery (Ceylon) PLC, a Carsons Cumberbatch Company, is an award winning Sri Lankan brewer & the dominant market leader in its chosen business. This is as a result of its superb Portfolio of key strategic power brands, well managed channels and sales operation with high customer satisfaction and a state of the art production process all of which are brought together into a single, aggressive, coherent force by a team of focused professionals nurtured by an award winning HR system. International Power brands Corona and Carlsberg are also part of Lion portfolio.

In order to cope with its expanding business interests the Company seeks those who are exceptional talents; people who thrive on challenge, see ambition as a virtue, demand the right to challenge the status quo & constantly seek solutions that are out of the ordinary.

If you are confident of meeting high standards and believe that you can stamp your personality in a dynamic organization, the following positions may be of interest to you:

### Channel Development Manager – Modern Trade

Ideal candidate should be around 26-30 year old professional in the field of Trade Marketing, preferably with a minimum of 3-5 years experience in managing modern off-trade channel.

Expertise in formulating channel strategies, managing DMU's, channel segmentation and developing detailed plans for implementation, budget planning and managing budgets are some key prerequisites for the job. Candidates who are capable of foreseeing the evolving landscapes with a passion for results are encouraged to apply.

Excellent presentation, communication (written & oral) and interpersonal skills are essential requirements with a degree or an advanced diploma in Marketing, being an added advantage.

### Assistant Accountant

The position is responsible for Financial Reporting, Treasury Management, Budgeting and Forecasting. The person should be able to liaise with Financial and other statutory institutions in carrying out the functions of the assigned work area. He/She would add value to the business process through providing timely and accurate information for managerial decision making.

Candidates should be part qualified in either ICASL/CIMA/ACCA or equivalent with minimum of three years work experience in a manufacturing environment. An exposure to working with an ERP system, willingness to work long hours and ability to work independently would be advantageous.

The Company rewards its achievers with a competitive remuneration package, a learning environment that encourages self development & a rewarding career path based solely on a system of meritocracy.

Interested applicants may forward their CVs, mentioning the position applied on the top left hand corner of the envelop or on the subject line of the email, within 10 days of this advertisement to:
