My future

Online – WhatsApp,
Help me to shut up,
But gaining knowledge.
No tests,
No lessons,
Working till night.

My eyes and brain,
Running like a train,
But far away the station,
COVID-19,
Still on the way.

We will be dumb,
Brain will doom,
No classes,
COVID-19,
Gave me holidays.

School shut down,
Days are going round,
Age is aging,
Year by year,
I am frustrated,
With my education.

The magical book

I saw a book on my shelf,
Untouched for years,
I took it out to read,
For it whispered in my ears.

Over six-hundred and sixty pages,
It's about the history of the world,
I started to read it two weeks ago,
And I discovered new words.

The book took me to places,
Places I've never seen before,
I want to lay on my bed,
And dream of it once more.

It opened up my imagination,
In a way I never knew,
I love this book so much,
I think you'd love it too.
