Toroid International (Pvt) Ltd, and Toroid Lanka (Pvt) Ltd located in the Free Trade Zone Katunayake, are two expanding companies of the Scandinavian-based Noratel Group, a world leader in the manufacture of transformers and chokes, located in nine European countries and Asia. We started operations in Sri Lanka in 1989 and opened our second company, Toroid Lanka (Pvt) Ltd in 1999. Our third factory opened in October 2006. Now we have over 2000 employees and are looking for competent persons for the positions below:

DESIGN ENGINEERS

Duties: Design and costing of transformers to customer requirements, preparation of manufacturing documentation, monitoring of manufacturing/testing prototypes, handling of feedback from customers and from our production staff, special testing at demanding applications etc. A very important part of the work is the liaison with our customers and production staff. The work also includes participation in international sourcing of special components, and in marketing and sales activities.

Qualifications/experience: B.Sc. in Electrical Engineering. Some working experience in a technical position is an advantage. Computer knowledge and fluency in written and spoken English is very essential.

ADMINISTRATIVE/ TECHNICAL ASSISTANT

Duties: Assist the Design Engineers to prepare technical documentation, doing special tests, coordinate with other departments to solve minor technical problems, etc.

Qualifications/experience: Minimum G.C.E. A-level in Science subjects (incl. Physics). Fluency in English and good computer knowledge (MS Office) is essential. Technical interest is important. Females are encouraged to apply.

TRAINING & DEVELOPMENT EXECUTIVE

Duties: Plan and conduct mainly technical training regarding our products and manufacturing process to our employees. Maintaining training records and other related duties.

Qualification/experience: NDT/NDES (electrical/electronics) or equivalent education. Computer knowledge (MS Office packages), strong interpersonal skills, excellent presentations and communication skills and excellent command of written & spoken English are essential. Experience in conducting training is an added qualification. Females are encouraged to apply.

• Candidates living close to Katunayake preferred.

This is an opportunity for those who are eager to work hard in a positive atmosphere. Competitive salary and benefits will be offered to the right persons. If you believe that you are the right person to join our team, please send your application with complete bio-data, copies of educational and working experience certificates before 29 September 2008.
