SriLankan Airlines takes great pride in being the national carrier of Sri Lanka, in addition to its position as an award winning international airline, and its role as an ambassador of goodwill across the world. We are proud to spread the warmth and cheer that is universally recognized as uniquely Sri Lankan, in a network covering Europe, the Middle East, the Far East and the Indian sub-continent.

Our vision for the future is to become the most preferred airline in Asia. In this respect, we have in operation a progressive working environment and a dedicated team of passionate professionals who are committed to delivering nothing short of the best to our customers.

Engineering Procurement and Logistics Manager

As the Engineering Procurement and Logistics Manager, you will be involved in managing the Procurement and Logistics section in a professional and efficient manner to support SriLankan Engineering for the maintenance and overhaul of SriLankan aircraft by procuring technical spares, tools and equipment at optimum cost.

The Ideal candidate should possess:

- A Bachelors Degree or Masters Degree with a minimum of 5 years post qualifying, relevant work experience at Senior Executive Level.

OR

- A business oriented relevant professional qualification equivalent to a degree from a recognized educational institute in Sri Lanka or abroad with a minimum of 5 years post qualifying, relevant work experience at Senior Executive Level.

Upper age limit for the above category is 40 years.

**Senior Aircraft Component Repairs Supervisor
(Component Control Unit)**

As a Senior Aircraft Component Repairs Supervisor (CCU), you will be involved in carrying out all repair related functions of aircraft components effectively and efficiently, in order to provide availability of aircraft components in full airworthy condition.

The ideal candidate should possess:

- A National Diploma in Technology (NDT) or equivalent qualification with 3 years post qualifying experience in the field of Mechanical/Electrical/Electronics or Aeronautics.

Upper age limit for the above category is 35 years.

This is an ideal opportunity for those who are interested in developing a career with a world-class organization. Those with outgoing personalities, good interpersonal skills and the ability to work in a team environment will be given preference. If you think you've got what it takes to be a part of the national carrier of Sri Lanka, we are waiting to hear from you.

Applications along with your contact details should be forwarded to careers@srilankan.aero or the Senior Manager Human Resources, Human Resources Division, SriLankan Airlines Ltd., Katunayake, Sri Lanka, prior to the 22nd of October 2008.

Influencing will not have any bearing on the selection process which is merit based. Please note that only short listed candidates will be notified.
