ADVISORS - IT ADVISORY SERVICES

KPMG Ford, Rhodes, Thornton & Co., Sri Lanka, is a member firm of KPMG International, one of the largest global networks of professional firms providing Audit, Tax, and Advisory services and established as one of the 'big four' Audit and Advisory firms in the world.

Our IT Advisory Practice specializes in all aspects of IT Risk, Controls, Process and Security Management. Knowledge sharing is key to our success, as we work in collaboration with our international IT Advisory teams across the globe, in advising multinationals, diversified groups and local blue chip companies. Our IT services include:

- IT Auditing
- Business System Controls Review & ERP Advisory
- IT Attestation & Software Process Improvement (Including CMMI, ISO9001 & ISO27001)
- IT Security, Privacy and Continuity
- Governance & Performance
- IT Project Management

To join our winning team, we require professionals with an energetic disposition, strong leadership and team working skills, a flair for business, excellent customer focus, together with the following skills and attributes:

- A Bachelors degree from a recognized university in Management, Information Systems, Computer Science and/ or equivalent professional qualification such as BCS/ACS;
- Professional qualifications in Accountancy such as ICA/CIMA/ACCA or in computer systems auditing/ security such as CISA/CISM/CISSP or similar;
- 2-5 years of experience in IT Audit or Advisory;
- Excellent analytical skills and judgment and strong decision-making ability;
- Be highly motivated and self managed, organized and committed to professional development;
- Strong leadership and team working skills to lead and motivate team members in a team-oriented atmosphere;
- Effective communication skills both oral and written including business report writing and presentations skills.

Those with lesser qualifications and experience will be considered for other roles.

Recognized as an "employer of choice" globally, we provide a challenging work environment with excellent career advancement prospects and learning opportunities for our team members including overseas assignments. Remuneration will be commensurate with experience and qualifications. We also believe in diversity and promote equal employment opportunities.

Applications together with detailed Curricula Vitae and Telephone/ Email contact details of two non-related referees, quoting the relevant Reference No: E511/8202 and vacancy on both cover letter and envelope, or subject of the email, should be forwarded to reach the address below within the next ten working days:
