MANAGEMENT TRAINEES MANUFACTURING, ENGINEERING & LOGISTICS

CBL Foods International (Pvt) Limited a member of CBL Group manufactures many different types of packaged food products ranging from chocolates and cakes to biscuits, wafers and snack desserts. In the coming years we expect to widen our range of products to other areas of consumer foods.

As a matter of strategy we wish to develop traditional sweetmeats and snacks which have had years of local patronization and are familiar to Sri Lankan palates, into consumer friendly, healthy and safe products and expand our operations into markets outside Sri Lanka

This will need expansion of our manufacturing facilities and consequently competent people to "pick up the ball and run with it"

We seek young men and women who are prepared to meet this challenge, willing to listen and learn, observe and absorb. We want people who are respectful of their superiors and are considerate to subordinates, self starters with initiative and determination, solution oriented work attitudes and ability to work in a team.

Educational other requirements:

- Valid degree from a recognised University or professional qualifications in Engineering, Industrial Engineering, Industrial Management, or any other similar discipline.

- Thorough knowledge in computing including the ability to use spreadsheets, word processing and presentation packages.
- Fluent in written and spoken English and have the ability to prepare and present reports in English
- Age below 28 years

The selected applicants will be provided on –the-job and formal training for a period of one year and will be expected to carry out specific tasks during this period as a measure of performance.

Interested applicants are requested to forward a detailed resume including contact telephone numbers, details of two non-related referees and a recently taken passport size photograph (or scan) to reach us within 07 days of this advertisement to the address below. Please state the post applied for on the top left hand corner of the envelope.
