A Journey of A Hundred Friends...

In August 2010, 100 Girl Guides from across Sri Lanka travelled from Matara to Jaffna by train and bus to help refurbish the library at J/AMTM School in Ampan, Jaffna. The school had been badly affected during the war. All the Girl Guides worked tirelessly and happily together as sisters of the great Girl Guide movement. The journey to Jaffna was undertaken to further strengthen the existing ties of friendship and fellowship between Girl Guides in the north and those in the south of Sri Lanka.

Funding to refurbish the school library was provided by the Disaster Management arm of the Sri Lanka Girl Guides Association. This is the 14th library which has been refurbished and restocked by the Disaster Management branch under their 'Nana Piyasa' Library Project.
