

Celebrating 25 Years Of Forward Thinking

For 25 years Sampath Bank have forged ahead into the future. Our visionary thinking has set the benchmark for many of the banking conveniences we take for granted today.

Be it Sri Lanka's first-ever linked ATM network, South Asia's first Debit Card or pioneering an inter-connected branch network, we have always been ahead of our time.

Looking towards the future, we make a solemn promise to stand by you, with a gamut of innovative financial solutions always at your disposal.

We at Sampath Bank salute The Sunday Times on their 25th anniversary and commend them for their visionary efforts over the past two and a half decades.
